DBAS INTERNATIONAL

DBAS International promotes Eco friendly & sustainable products. A step towards it, is by providing compostable & biodegradable food packaging solutions to reduce single use plastic waste.

Our food packaging products are in full compliance with the latest industrial standards & regulations; which makes food stylish and ecofriendly at the same time.

DBAS International endeavors to support all types of catering services, restaurants, cafes, takeaways, fast food outlets, bakeries who want to contribute in conserving the nature for future generations.
